George Mikitarian  
President and Chief Executive Officer  
Parrish Medical Center

Dear Mr. Mikitarian,

Enclosed please find the framed copy of your organization's Certificate of Distinction for your achievement of becoming certified for Integrated Care Certification.

You and your team deserve our sincere congratulations as having been the first organization in the United States to have stepped forward to become certified. That is quite an accomplishment and we know it was not easy.

The very fact that your organization saw the big picture value of extending the quality of patient care to cover the key transitions as patients leave the hospital setting is a testament to the commitment your organization has to your community. Becoming certified brought to life the full circle of care experience your patients are experiencing. We hope you have gained great satisfaction from your very important achievement.

Congratulations again to your team for going above and beyond to bring the certification to life for your organization.

Sincerely,

Mark Pelletier RN, MS
